

VERY IMPORTANT!

- 1. These stubs need to be MODIFIED so that they reflect YOUR information. Fill in the information in the highlighted sections and print.**
- 2. You will be given a specific CODE (i.e. JMT-01) by your team leader. These codes are UNIQUE and very important for your fundraising. These must be provided on your contribution stub that you send to your supporters, and should be written on the checks they send to the KCCC office.**
